MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Executive Director

SUBJECT: Marriage to Aliens

1. Based on Executive Committee and subsequent discussions, I conclude that [ ] needs some tightening, consistent with our current focus on CI and security improvements. I will ask the Director of Personnel to revise the Notice to reflect the following:

25X1

a. Any employee contemplating marriage to an alien will submit his or her resignation.

b. Approval of requests to remain employed following marriage to an alien will be granted only in those rare cases where a clear Agency need can be demonstrated and in which the Head of the Career Service concurs.

c. Security and counterintelligence considerations will continue to be paramount.

d. Approvals involving countries on the Attorney General's Criteria Country list will be granted only for the most critical national security reasons.

2. Where approval is granted, the following caveats will apply:

a. A security review, generally in the third year after marriage, will be conducted, including both polygraph and appropriate field investigation.

b. The intent of the alien spouse to acquire U.S. citizenship will be stipulated; failure to follow through may be grounds for termination of Agency employment. OP and OS will establish the necessary tracking and review mechanism.
